Goa were discussed at the meeting of Hindi teachers and "pracharaks" (propagators) held here on Monday at the Municipal Hall under the auspices of the Rastra Bhasha Prachar Samiti, Wardha. The meeting was presided over by Mr. Sayagirao Silam, Chairman of the Samiti and former Lt. Governor of Pondicherry, who answered various questions pertinent to the teaching of Hindi in Goa. He was introduced by Mr. M. S. Surlekar, Secretary of the Samiti's Goa branch. A vote of thanks was proposed by Mr. Kale.

### Goa's carnival for European TV

PANJIM, Feb. 4—A film crew under the direction of Mr. Joseph St. Anne and Mr. Robert Tyabji will arrive here on Saturday, February 7, to cover the Goan carnival for European and American television networks. They will be in Goa for a week. Mr. St. Anne, a familiar face in Goa, is an executive in an international advertising agency. Mr. Tyabji is a TV expert, just returned from Europe.

### Power shut down

PANJIM, Feb. 4—As the Electricity Department has to carry out maintenance work at Ponda sub-station there will be power shut down from 8.00 a.m. to 6.00 p.m. on Sunday, February 8, 1970. There will be, therefore, no power supply to consumers residing in Usgao, Tiska, Pale, Borim, Shiroda, Kevala, Durbhat, Madkai, Mardol, Bandora, Cundai and Ponda areas.

The secret of the KIRLOSKAR "SS" self-priming pump's success in dealing with turbid water lies in its semi-open type impeller-one that is capable of handling solids up to 10 mm. in diameter and does not clog.

For mobility the "SS" pump can be mounted on a tractor, driven by its power take-off unit. Primemovers normally used are 5 H.P. diesel engine or electric motor.

**KIRLOSKAR "SS" PUMP**  
(75 mm. x 75 mm.)
