Dear Robert

I am writing on behalf of myself, John Fashanu and Ian Mark Wilson to thank you and all your colleagues for your kind hospitality during our recent visit to Tanzania.

We all learnt so much and have returned home inspired, rejuvenated and so much better informed. Thank you for all your tremendous hard work. Please do keep the press coverage coming and let us know if John can be of any more assistance to UNICEF in Tanzania.

Thank you Robert. Look forward to hearing from you soon.

Best regards
